

**SAMPLE MESSAGE TO OPPOSE CRITICAL RACE THEORY IN
CHILD'S SCHOOL**

**(From a Non-white skinned parent or grandparent)
(61 words)**

- **Short email or text message**
- **Short social media post**

As a parent of color, I strongly oppose this “critical race theory” push into our public schools. That theory teaches students of color to distrust and actually hate white skinned people. Martin Luther King taught racial harmony, but this theory divides everyone and creates nonstop conflict leading to violence. I’m not alone in opposing this theory with all of my ability.
